NORTHERN DISTRICT OF CALIFORNIA

PATRICK BARNICLE, et al.,

Plaintiffs,

v.

MELLANOX TECHNOLOGIES, LTD., et
al.,

Defendants.

Case No. [13-cv-04909-JD](#)

**ORDER REQUIRING PREPARATION
OF SUPPLEMENTAL CHART**

Lead Plaintiffs are ordered to prepare a chart of the information required by 15 U.S.C. § 78u-4(b)(1) and (2) that specifically identifies: (1) each statement alleged to have been false or misleading, (2) the reason(s) the statement was false or misleading when made, and (3) if an allegation regarding the statement or omission is made on information and belief, all facts on which the belief is formed.

The chart should clearly identify which statements or omissions are attributable to which defendants, and include a detailed statement of the facts giving rise to a strong inference that each defendant acted with the required state of mind.

Plaintiffs should also summarize their allegations regarding what each defendant knew with regard to the statement or omission, and when each knew it.

For the guidance of Lead Plaintiffs, the Court suggests the format on the following page:
